I'm not totally sure that Dan is joining us, but my supervisor, Dave Croxton, will be on. I can bring it up when we talk about the legal aspects. Thx.

Yup. Sounds good. Should only take a couple of minutes and whomever is leading the call can ask me to chime in whenever it makes sense.

Tom,

That sounds reasonable esp. given that both the decider (Dan Opalski) and the people best positioned to help him decide (Jill and Lori) will be on the call.

That said, it might be good to hold off till the end of the call (assuming 5-10 minutes might fit within the agenda) in order to keep the call focused on its purpose.

Thanks,

Steve

Subject: R10 OR OA briefing docs

Hi all,

To assist in our discussion on Wednesday, we've prepared the attached briefing document. I've also included the "pteropod paper" or "Bednarsek paper" you've heard about and which is heavily referenced in our briefing paper. We look forward to laying out our plan for you, and answering any questions you may have about it. I anticipate our agenda will go as follows:

1:00-1:15: Introductions, Listing background, Jill
1:15-1:50: Scientific analysis, Cheryl and Rochelle, Ben
1:50-2:10: Legal perspective, Lori and Steve
2:10-2:30: Questions, next steps, all

Call in number: Personal Privacy / Ex. 6

Code: Personal Privacy / Ex. 6

Thanks.
